

# Ekalaka Elementary School Supply List

Eastern Montana Community Mental Health Center in Miles City received a grant and will be providing some of this year's school supplies for grades K-6! Here is the list of supplies by grade; highlighted supplies will still need to be purchased by the parents before the start of school! Note, the free supplies are for students who were enrolled with the district by 7-1-22. Thank you again to Beth and her team at Eastern Montana Community Mental Health Center!
